6 July 1972

MEMORANDUM FOR: Frank Perez, INR, State, x20416

[redacted], DIA [redacted]

25X1

SUBJECT : Outline for SALT Monitoring Baseline Report

1. The attached draft outline was prepared pursuant to guidelines discussed at the 29 June meeting of the USIB SALT Monitoring Working Group. It has been reviewed by Mr. Stoertz and his comments are incorporated.

2. Your comments on the outline will be solicited at the 7 July meeting. A draft will subsequently be prepared, taking your comments into account. It will be coordinated with your agencies following procedures similar to those used for the President's Quarterly Report.
